160 Students Unleashed to Serve Sacramento

This last weekend was a first! Fifteen PSWC churches sent 160 high school students to Bayside Granite Bay's "Thrive Unleashed" event and stayed an extra day to serve together. This combined experience is called "Thrive Unleashed Together".

At the end of the weekend, the youth and volunteers, backed by organizers at Love Inc, delivered furniture to 50 Sacramento households in need. In the middle of serving, one student made a decision to follow Christ.

And we say: Thank you to Bayside of Granite Bay, who gave the "Covenant Family Discount" to our PSWC family of churches and helped make this amazing, collaborative experience possible!

Parents This-This is for you! Lifelong Faith for Our Kids

While almost 1 out of 2 young people walk away from God and the church after high school, it doesn't have to be that way. In your church and home, you can build practices that help teenagers develop faith that "sticks" into adulthood. We'll take a practical look at research conducted by the Fuller Youth Institute over the past decade. Together we'll unearth toxic myths young people believe about faith, and explore how to reverse the myths and form lifelong faith. **These sessions are offered together at each Energize and Equip Event (EEE) in 2017. Select "Parent Track". Please RSVP through the registration sites below.**
