

**You can flourish in ministry, and we're going to help you get there!**

### **Growth Groups – Early 2018**

*Time-limited small groups of pastors and ministry leaders being equipped and supported for fruitfulness in ministry while building relationships with Covenant peers.*

#### **The Volunteer Bridge: Leading People from Sitting to Serving** (6 consecutive weeks)

The harvest is ripe but the workers are few — and they are sitting in the seats of your church! Learn how to help people cross over from sitting to serving through this interactive discussion group. We'll be building a process for you to leverage one of the most important seasons of the year — Easter — to motivate and engage the not-yet-involved attendee. You'll learn how to create a thriving volunteer culture where they can be successful and serve for the long term. Facilitated by Covenant pastor and leadership consultant, Angela Yee. (Limited to 12 participants) *Meets on Tuesdays, February 6 - March 13, 2018*

*Angela has spent over 17 years in volunteer mobilization in the church world, from small family churches to large megachurches, and most recently at Saddleback Church Irvine South, a campus of 1700 weekly attendance. Her passion is equipping leaders for greater kingdom effectiveness and she loves to see people begin to be activated for their ministry calling.*

### **Breaking 100** (6 sessions)

If your attendance has plateaued and you can't break through 100 (or 70 or 125...) it may be time to change your leadership to cultivate a culture of evangelism and build a broader base of lay leaders so your church can grow. Be equipped, share resources, and encourage one another toward fruitfulness in ministry in this group of committed peers. Facilitated by church planter and lead pastor Scott Nelson. (Limited to 8 Lead Pastors)

***Meets on the second and fourth Thursdays of the month, February 8 – April 26, 2018***

*Scott is Lead Pastor of Covenant Grove Church in Modesto, which he planted in 2009 with 45 people and has since grown to over 350. Scott's ECC involvement has included conducting a denomination-wide church planting research project and serving as a CHIC Liaison.*

### **Lead Well** (6 sessions)

Everything rises and falls on leadership...strengthen yours! Be equipped for greater resilience, competency and fruitfulness in ministry as we consider topics such as leadership styles, conflict management, boundaries, team building and more. Facilitated by PSWC Director of Ministerial Health, Jean Cheng Gorman. (Limited to 8 participants)
