ABOUT CCC

Community Covenant was founded in 1982 with the coming together of a diverse group of people seeking a body of believers characterized by a spirit of community and celebration. We are a multi-generational church wanting to awaken the desire for extraordinary encounters with God and become a community in which people can thrive and be all that God sees in and for them. We want our lives to be shaped by Jesus and convey to all people that they matter to God and to us. We want to see our families, community and world flourish as we live "ordinary" lives in "extraordinary" ways, led by God's spirit and motivated by God's mission of love.
